

Parametric Broom Handle Holder (OpenSCAD) (Command Strip Compatible)

mofosyne

VIEW IN BROWSER

updated 6. 3. 2026 | published 6. 3. 2026

Summary

Designed for either screw mount or command strip mounting

Household > Kitchen

Tags: broomholder

This was actually created to hold a dishmatic brush, but can work for broom as it is fully parametric. Current screw default is for M3 screws.

Source code provided, so you can learn and make other similar remixes. Some ideas to consider... toothbrush holder?
